“Accounting and Legal Excellence for Business Stability”

We are pleased to welcome you to **Derafu Pro**, the specialized unit for accounting and legal services of **Derafu Corp**. We are the team of professionals dedicated to providing high-quality financial and legal solutions for businesses and individuals.

Our Mission

Our mission is to cultivate an environment where **accounting precision** and **legal clarity** are the standard. We strive to simplify complexity and support growth by providing reliable financial and legal services for both **Derafu Corp** and external clients.

What drives us:

- **Numerical precision** in all our records and reports.
- **Integrity** in every legal and financial decision.
- **Technological innovation** for greater efficiency.
- **Excellence** in customer service.

Built for the Heart of Derafu Corp

Derafu Pro was created to support the internal operations of the group with professional-grade financial and legal solutions. Our purpose is to ensure that every business unit within **Derafu Corp** operates on a solid foundation of:

- Regulatory compliance.
- Financial accuracy.
- Long-term financial health.

Our Core Services

Business Formation and Legal Setup

From choosing the appropriate corporate structure to registration with local authorities, we provide comprehensive legal support for business formation in Chile.

Basic Accounting for Small Businesses

Simplified accounting services tailored for freelancers, startups, and small businesses. We manage daily accounting, tax declarations, and provide actionable financial insights.

IFRS-Compliant Financial Management

For companies requiring greater financial insight and international compliance, we offer complete IFRS-based accounting, including detailed financial statements and internal audits.

Corporate and Tax Legal Advisory

Our legal and tax consulting services help ensure regulatory compliance in all aspects of business operations.

Accounting Automation and ERP Integration

We leverage advanced platforms to digitize and optimize accounting and legal processes.

Strategic Risk Management and Advisory

We work closely with clients to identify potential risks and build strategies to mitigate them.

Technology-Driven Excellence

We use advanced tools to automate and simplify accounting processes. Our approach combines **technology** with **human expertise** to deliver high-precision results.

Our Vision

We aspire to become a **benchmark for quality and innovation** in the accounting and legal services industry. Derafu Pro seeks to grow alongside the corporation and eventually serve external clients with the same commitment to excellence.
